# ONTELA PRASHANTH

Computer Science Graduate

📞 +91 6302123970 @ prashanthreddyontela@gmail.com

SUMMARY

I am a motivated and detail-oriented Computer Science graduate with a strong foundation in programming and software development. I excel in Python, C, and C++, and have hands-on experience in web development using Django and other technologies. My passion lies in teamwork and problem-solving, and I am eager to apply my skills in dynamic project environments while continuously learning and growing

EXPERIENCE

Industry Trainee

Precot Meridian Limited

📅 01/2025 - 06/2025   📍 H S Mandir, Kodigenahalli, Hindupur, HO-515201

A company specializing in textile manufacturing

- Completed industrial training in textile manufacturing, gaining hands-on experience with production processes and workflow optimization
- Enhanced knowledge of industry standards and practical problem-solving techniques
- Collaborated with supervisors and technicians to improve operational efficiency

Textile Industry Experience

Mohan Spintex India Limited

📍 Bapulapadu Mandal, Krishna District, Remalle, Andhrapradesh, 521110

A company operating in the textile industry

- Contributed to quality control, production analysis, and textile machinery operations
- Acquired practical skills in textile engineering and industry-specific problem-solving
- Improved production efficiency through active involvement in team-based projects

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Vaageswari College of Engineering

📅 08/2021 - 05/2025   📍 Karimnagar, Telangana

Diploma in Textile Engineering

Sri Raja Rajeshwara Government Polytechnic

📅 08/2018 - 06/2021   📍 Sircilla, Telangana

Secondary School Certificate (SSC)

ZPHS Namilikonda

📅 06/2015 - 04/2018   📍 Telangana

STRENGTHS

🧠 **Analytical Skills**
Strong analytical and problem-solving abilities

✔ **Adaptability**
Adaptability and eagerness to learn new technologies

🧠 **Teamwork**
Effective collaboration and teamwork

⚡ **Communication Skills**
Strong communication and interpersonal skills

✔ **Initiative**
Initiative-taking and continuous skill enhancement

SKILLS

C/C++	CSS	Data Structures	
Django	Git	HTML	JavaScript
Python	Gmail		

PROJECTS

Faculty Management System (Mini Project)

A mini project to manage faculty records efficiently

- Developed a web-based Faculty Management System using Python, Django, and MySQL
- Designed and implemented features for adding, updating, and retrieving faculty records via an intuitive interface
- Utilized Django to build a robust web application framework and integrated MySQL for efficient data storage and retrieval
- Focused on scalability and user-friendliness to streamline faculty data management processes
- Gained hands-on experience in web development, database design, and debugging complex applications
